Warsaw, 13 October 2017

H.E. Ivan Brajović  
President of the Parliament of Montenegro

Excellency,

Following your letter of 6 October, please allow me to thank you for your cordial wishes, and that I very much look forward to continuing the excellent co-operation the OSCE/ODIHR has enjoyed with Montenegro over the years.

The OSCE/ODIHR furthermore welcomes the continued readiness of Montenegro to follow up on ODIHR election-related recommendations through an open and inclusive consultative process with all relevant stakeholders. In this regard and within its mandate and available resources, ODIHR stands ready to provide technical expert advice to such processes, including the provision of expert opinions and reviews on possible draft election legislation. We would endeavour to co-ordinate our activities with the OSCE Mission to Montenegro.

I once again welcome the readiness of Montenegro to further improve its electoral framework and practices taking into consideration OSCE/ODIHR recommendations, and look forward to our continued close co-operation.

Yours sincerely,

Ingibjörg Sólrún Gísladóttir
